See attached figure.

SFS is on our website, http://www.epa.gov/region07/cleanup/west_lake_landfill/pdf/supplemental_feasibility_study-west_lake_landfill_ou-1.pdf

It is too big to e-mail.

Dan – also where are the results of the Phase I sampling – you mentioned there are tables and figures available somewhere?

Thank you,

Dan – Can you point me (again) to the table of the RIM results and any other report that would help me better understand the data we have on the location of the RIM?

Thank you,
